My dear Sir,

I am directed to send you the enclosed letter from the First Assistant Resident and to say that His Highness would be glad of your suggestions on the same. How much was subscribed to the All India Memorial at Delhi and was that subscription His Highness' own or from the State?

Yours sincerely,

THE MYSORE RESIDENCY,

Bangalore, 9th February 1912

Rec'd 12.2.12 Reply

Dear Mr. Campbell

A meeting of the Executive Committee for the King Edward Memorial Fund was held on the 5th February when it was decided to close the subscription list. A sum of Rs. 14517/- has been collected and it is hoped that with a few outstanding donations a total of Rs. 15000/- will be reached.

Sir Hugh Daly has been in correspondence with Sir James Dunlop Smith as to a suitable sculptor for carrying out the proposed work and Sir James suggested £ 2000 as a round figure to cover all expenses. He, however, thought it might be done cheaper and asked Sir Hugh to let him know exactly what we had to spend.

Before taking any further action Sir Hugh would be much obliged if you could advise me as to what contribution His Highness will be pleased to make. A further point on which His Highness's advice would be valuable

is

is the question of a site for the statue. This, however, can be considered later.

Yours Sincerely

M.B. Chalmers

My dear Innes Rao.

Doubtless you recollect my speaking to you at Bangalore on 25th February last about the subscription to the Fund towards the purchase of the King Edward Memorial. I asked you to invite the attention of the Dewan to the situation and let him know whether Government would contribute anything. I also told you that His Highness would like the Dewan to kindly put

the matter into the Council and to submit for his consideration in due course, suggestions as to what could be done or promised in the matter. There has been no communication from you about it since and meanwhile the Resident has sent a reminder to Mr. Campbell. Kindly therefore expedite submission of papers in the case I object.

Subject:- Contribution to the King Edward Memorial at Bangalore.

****

On the demise of His Majesty the King Emperor Edward VII, the citizens of Bangalore City and of the Civil and Military Station resolved at a meeting held in the Mayo Hall that a local Memorial be inaugurated and that a Statue of the late King Emperor be installed in a suitable locality in Bangalore.

First Assist- Resident's D.O. 9th February

2. It is understood that the public subscriptions would amount to about Rs.15,000 and that a further sum of Rs.15,000 would be required to place an order for the statue. It is also understood that the subscription list has been closed by the Executive Committee, probably because more public subscriptions are not likely to come in.

3. It is understood that His Highness the Maharaja has already been pleased to make a donation towards the All India King Edward Memorial at Delhi out of His Highness' privy purse.

4. As both the inhabitants of the City and the Civil and Military Station and as in a smaller degree the Mysore people will participate in the proposed Memorial, I would propose that a moiety of the sum of Rs.15,000/- still required should be contributed by the Mysore Government towards the Statue, besides a suitable site suitably prepared to erect the Statue when ready.

In my note dated 21st May 1912, a proposal was made to the Council that, in connection with His late Majesty King Edward Memorial at Bangalore, a moiety of the sum of Rs.15,000/- still required should be contributed by the Mysore Government towards the Statue besides a suitable site suitably prepared to erect the Statue when ready.

2. Both the Councillors agree to the proposal. If approved, the necessary provision will be made in the next year's budget.

3. A reply to this effect may also have to be sent to Mr. P.B. Warburton's D.O. on the subject addressed to Mr. Campbell on the 9th February 1912.
